

Rio de Janeiro, 27.08.2012

To whom it may concern:

This Consulate General of Switzerland has worked together with Mr. Michael Bonin from Brazil Insider – Destination Management Company for the event Rio+20 in June 2012. He was charged with the task to organize and execute the whole logistic part which was necessary during the event in order to ensure a smooth procedure during the stay of the Swiss Delegation in Rio de Janeiro.

This logistic project included the evaluation and price negotiations of the hotels, coordinating the use of the cars and drivers according to the needs of the members of the delegation, evaluation of different restaurants and negotiation of favorite conditions for big and small groups as well as providing tourist information and organizing individual sightseeing tours upon request.

Throughout the whole period Mr. Michael Bonin handled the project which was extremely complex, with responsibility and dedication. He kept his personal and professional conduct impeccable and was highly competent.

We greatly appreciated his support and we very much recommend him to anyone interested in contracting his services.

Please do not hesitate to contact us for further details.

Sincerely,

Hans-Ulrich Tanner
Consul General
